<sup>1</sup> As the Magistrate Judge noted, it not being clear from plaintiffs' affidavits in support of default judgment the date of payment used to project the amounts of accrued interest, the Court will understand the accrued interest amount totaling \$860.64 to be as of the date of its Motion for Default Judgment, which is November 17, 2014. *See* Report and Recommendation, Doc. No. 13, p. 5 at n.3.
